3 1/2"	141.00	312epcb
4"	167.00	400epcb

Manufactured using state of the art technology producing ultra thin wall core bits. Where cost is a factor, these meet the challenge. Has 3/8" shaft with 6 sides, for non slip in chuck. High diamond concentration along with price makes this line a winner. Great for going thru porcelain, ceramic, glass or other hard materials. Used wet or dry.

Prices are subject to change without notice due to freight and inflation costs.
We reserve the right to ship next higher quality product if we are out of stock.
